RE: Identification # C00347310
Mid-Year Report 1/1/02-6/30/02

The report that is being filed today, April 15, 2003 reflects changes that were necessitated due to an incorrect designation of an expenditure on our 12/31/02 report. On our 12/31 report we made a \$50,000.00 contribution to the DSCC. It was an excess funds contribution and was erroneously reported as an operating expense versus other disbursement. It has been corrected to reflect the proper designation. Due to that correction, column B, lines 7a and 7c of this report show \$50,000.00 less and column B line 21 shows an increase of \$50,000.00.

Regarding the matter of our donor Patricia Schroeder and a possible excess funds contribution we have enclosed copies of her checks, which show the designation of the donations.

We thank the commission for their consideration and help in these matters.

Sincerely,

Kathryn J. Damato
Assistant Treasurer
